Ada Sales & Rental has had a wedding and party rental department since 1986. We have come a long way from only having wedding candelabras available to rent. We have added a full line of wedding accessories, more than 20 colors in disposable plates, napkins, flatware, table coverings, and enough china to service a dinner reception for 200.

Renting offers a bride the newest trends without the hassle of searching for an item and expense of purchasing it. Our wedding candelabra inventory is one of the largest in southeastern Oklahoma. We have a selection of bridal accessories ranging from the contemporary to traditional styling. So a bride and groom can personalize every detail of their wedding or special occasion.

We offer our brides the opportunity to complete the majority of their wedding arrangements in a single visit. We are able to accommodate our brides from the very beginning of ordering invitations and napkins, to the last minute details of wedding music and pew bows. We are also conveniently located online at AdaRental.com.

We hope that this wedding planner helps you through all the stages of your wedding and allows you to enjoy planning your special occasion.
